

Folkestone All Age Academy

ICT Apprentice Technician

To commence: February 2012

£92.50 per week, 37 hours per week

You will be working as part of an ICT technical team supporting a large academy (1500+ students) in all aspects of computing. The academy uses a large modern network that supports over 700 computers, mainly PC's but some Macs as well. The job involves supporting the equipment (maintenance, repair, updates etc) and supporting the users (technical advice, supplying equipment etc). You will be trained in all aspects of this work and will work in the team work room. The position is full-time and will last approximately 12-18 months with the possibility of employment as a Junior ICT Technician upon completion.

If you are interested in applying for the Apprentice ICT Technician position, please contact Clare Smith, Group Recruitment Manager on x2405 or by email clare.smith@folkestoneacademy.com for application details.

Closing date: Weds 17th February 2012
