

think u know

Yo year six children I am going to tell u about the think u know website.

the think u know website

I you want to report abuse then click on this button.

I am going to give u some tips about the think u know website it gives u tips what to do on a chat room and how to report abuse + it tells u what not to do on a chat room like don't tell them ur personal details don't tell them what school you go to because they could come to your school and if u tell them your name then they can say I want to speak to my son or daughter and say your name then all they have to do is when u come to see them they just have to learn what u look like wait until schools over sit in the car and take u when u leave school. You must remember never ever arrange to meet them unless you r with a parent or guardian don't arrange to meet them!!!!!!!!!!!!!!!!!!!!

what u should do in a chat room

Now I am going to tell u what to do in a chat room: If u r going to put your name, you don't put your full name u put an abbreviation of your name like if your name is Charlie put Charles because they don't know if u r a boy or a girl and there is plenty more tips u can find them out on think u know.com.
