Headteacher: Warren Smith BSc PGCE NPQH

22<sup>nd</sup> September 2015

Dear Parent/Carer

As you know, a meeting of the Parents' Forum was convened yesterday evening to provide an opportunity for parents to hear more about the new arrangements for homework, introduced this term, and to express their views about these arrangements to Headteacher Warren Smith.

Over two hundred parents attended the meeting, and it was clear there was a good deal of dissatisfaction with the way the new policy has been implemented. Parents also raised their concerns on the impact of the new policy on the welfare of our children and the quality of family life, and the Academy will wish to take this into account in considering the way forward.

A review of the arrangements will now take place in which comments and suggestions made at yesterday's meeting can be considered. As Parent Trustee I should like to thank you for your support during this period of change.

Yours faithfully
